 - b. after we have failed to deliver on time, you have specified a later period which is appropriate to the circumstances and we have not delivered within that period.

If any Digital Goods form a commercial unit (a unit is a commercial unit if division of the unit would materially impair the value of the goods or the character of the unit) you cannot cancel or reject the Order for some of those Digital Goods without also cancelling or rejecting the Order for the rest of them.
31. We generally deliver to addresses outside England and Wales, Scotland, Northern Ireland, the Isle of Man and Channels Islands. If, however, we accept an Order for delivery outside that area, you may need to pay import duties or other taxes, as we will not pay them.

Withdrawal, returns and cancellation

37. You can withdraw the Order by telling us before the Contract is made, if you simply wish to change your mind and without giving us a reason, and without incurring any liability.
38. This is a **distance contract** (as defined below) which has the cancellation rights (**Cancellation Rights**) set out below. These Cancellation Rights, however, do not apply, to a contract for the following Digital goods (with no others) in the following circumstances:
 - a. goods that are made to your specifications or are clearly personalised;

b. goods which are liable to deteriorate or expire rapidly.

39. Also, the Cancellation Rights for a Contract cease to be available in the following circumstances:

a. in the case of any sales contract, if the goods become mixed inseparably (according to their nature) with other items after delivery.

Right to cancel

40. Subject as stated in these Terms and Conditions, you can cancel this contract within 1 day without giving any reason.

41. The cancellation period will expire after 1 day from the day on which you acquire, or a third party, other than the carrier indicated by you, acquires physical possession of the last of the Goods. In a contract for the supply of goods over time (ie subscriptions), the right to cancel will be 1 day after the first delivery.

42. To exercise the right to cancel, you must inform us of your decision to cancel this Contract by a clear statement setting out your decision (eg a letter sent by post, fax or email) before the 1 day period ends. You can use the attached model cancellation form, but it is not obligatory. In any event, you must be able to show clear evidence of when the cancellation was made, so you may decide to use the model cancellation form.

43. You can also electronically fill in and submit the model cancellation form or any other clear statement of the Customer's decision to cancel the Contract on our website www.theblock-bank.com. If you use this option, we will communicate to you an acknowledgement of receipt of such a cancellation in a Durable Medium (eg by email) without delay.

44. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Effects of cancellation in the cancellation period

45. Except as set out below, if you cancel this Contract, we will reimburse to you all payments received from you, including the costs of delivery (except for the supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered by us).

Deduction for Goods supplied

46. We may make a deduction from the reimbursement for loss in value of any Digital Goods supplied, if the loss is the result of unnecessary handling by you (ie handling the Goods beyond what is necessary to establish the nature, characteristics and functioning of the Digital Goods: eg it goes beyond the sort of handling that might be reasonably allowed in a shop). This is because you are liable for that loss and, if that deduction is not made, you must pay us the amount of that loss.

Timing of reimbursement

47. If we have not offered to collect the Digital Goods, we will make the reimbursement without undue delay, and not later than:
- a. 14 days after the day we receive back from you any Digital Goods supplied, or
 - b. (if earlier) 14 days after the day you provide evidence that you have sent back the Goods.
48. If we have offered to collect the Digital Goods or if no Digital Goods were supplied, we will make the reimbursement without undue delay, and not later than 14 days after the day on which we are informed about your decision to cancel this Contract.
49. We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the reimbursement.

Returning Digital Goods

50. If you have received Digital Goods in connection with the Contract which you have cancelled, you must send back the Digital Goods or hand them over to us at St James Business Park, Grimbald Crag Close, Westyorkshire, HG5 8PY without delay and in any event not later than 1 day from the day on which you communicate to us your cancellation of this Contract. The deadline is met if you send back the Digital Goods before the period of 1 day has expired. You agree that you will have to bear the cost of returning the Digital Goods.
51. For the purposes of these Cancellation Rights, these words have the following meanings:
- a. **distance contract** means a contract concluded between a trader and a consumer under an organised distance sales or service-provision scheme without the simultaneous physical presence of the trader and the consumer, with the exclusive use of one or more means of distance communication up to and including the time at which the contract is concluded;
 - b. **sales contract** means a contract under which a trader transfers or agrees to transfer the ownership of goods to a consumer and the consumer pays or agrees to pay the price, including any contract that has both goods and services as its object.

Conformity and Guarantee

52. We have a legal duty to supply the Digital Goods in conformity with the Contract, and will not have conformed if it does not meet the following obligation.
53. Upon delivery, the Digital Goods will:
- a. be of satisfactory quality;

c. conform to their description.

54. It is not a failure to conform if the failure has its origin in your materials.

Circumstances beyond the control of either party

58. In the event of any failure by a party because of something beyond its reasonable control:
- a. the party will advise the other party as soon as reasonably practicable; and
 - b. the party's obligations will be suspended so far as is reasonable, provided that that party will act reasonably, and the party will not be liable for any failure which it could not reasonably avoid, but this will not affect the Customer's above rights relating to delivery and any right to cancel, below.

Excluding liability

59. The Supplier does not exclude liability for: (i) any fraudulent act or omission; or (ii) for death or personal injury caused by negligence or breach of the Supplier's other legal obligations. Subject to this, the Supplier is not liable for (i) loss which was not reasonably foreseeable to both parties at the time when the Contract was made, or (ii) loss (eg loss of profit) to the Customer's business, trade, craft or profession which would not be suffered by a Consumer - because the Supplier believes the Customer is not buying the Goods wholly or mainly for its business, trade, craft or profession.
